Made from Carabao's milk

Karabella, from the term "Caraballa" (female carabao), is a social enterprise with the GK Enchanted Farm that lives to offer fresh, healthy, nutritious and exciting dairy products for everyone. With our core motto of "walang iwanan", we aim to significantly uplift our farmers' lives by creating shared value products and selling them at a fair price.

Tito Ed

Carabao Farmer in Bulacan

"Sing-importante ng buhay ko ang aking mga kalabaw dahil magkatulong kami sa buhay.

Inaalagaan ko sila ng maigi at sinusuportahan nila ako sa pamamagitan ng kanilang gatas."

"My carabaos are as important as my life because we help each other.

I take care of them, and then they support me financially through their milk."
