

Freezer Burn is a hot-and-cold dessert concept in Bonifacio High Street, Taguig that specializes in unique flavor combinations. We take pride in making our custard-based ice cream and desserts in-house, both of which were conceptualized to change the dessert scene in Manila. A homegrown brand by the same creators of Scout's Honor and Le Petit Soufflé, Freezer Burn will surely bring comfort and excitement to your dessert cravings.

For events, here are available packages:
